

## Labels We “DO NOT TAKE”

**Consigners** – Please understand we DO NOT take clothing items from discount retailers, since items from these stores are already sold at a bargain price and the quality tends to diminish very quickly. Also, some labels do not sell well in our store.

Some exceptions may apply if items have new tags on. All items must be under two years old. No clothing from Costco, no night-wear, no bras or undergarments, no acrylic or polyester scarves.
